Newport News Alumnae Chapter of Delta Sigma Theta Sorority, Inc. Distinguished Merit Citation

Delta Sigma Theta Sorority, Inc., is a private, non-profit organization whose purpose is to provide assistance and support through established programs in local communities throughout the world. The major programs are based upon the Five Point Programmatic Thrust:

- Economic Development
- Educational Development
- International Awareness and Involvement
- Physical and Mental Health
- Political Awareness and Involvement

"The 22 women who founded Delta Sigma Theta were faced with exclusion because of their gender and race. The lessons we have learned from their struggles teach us that our programs and projects MUST be focused on impacting the community as a whole, as opposed to segments of a community based on race, gender, or religion."
